THUD!

ugh!

HE'S ALL YOURS MOTO BUG

THANKS FOR DROPPING IN SOME... I NEVER DID GET A GOOD SHOT AT YOU IN THE OLD DAYS...

THUD!

ugh!

HE'S ALL YOURS MOTO BUG

THANKS FOR DROPPING IN SOME... I NEVER DID GET A GOOD SHOT AT YOU IN THE OLD DAYS...

...AND I ALWAYS THOUGHT MY
RAZOR-SHARP CLAWS WOULD
TAKE QUITE AN IMPRESSION ON YOU!

A close-up of Dr. Robotnik's face and upper body. He is wearing his signature white lab coat with a black collar and a black bow tie. He has a surprised or perhaps indignant expression, with wide eyes and a slightly open mouth. His hands are on the controls of his Egg Mobile, which are visible as two brown, lever-like structures. The background is a bright yellow with some blue and white abstract shapes, suggesting a high-speed or chaotic environment.

SONIC-GRA-MS

THE SPAZ TRIAL

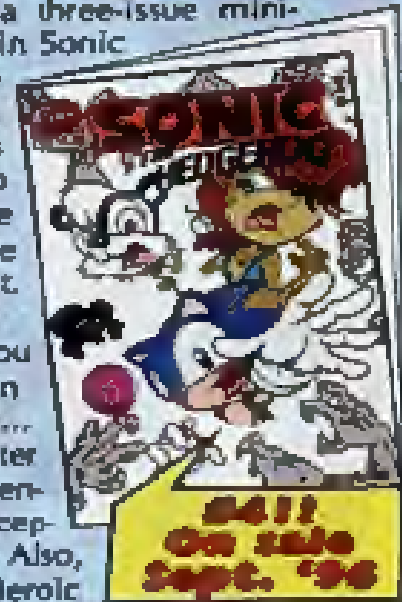

THE QUEST!

James Freddley Roberts
Editor

SonicQuest, that is! It's a three-issue mini-series that follows the events in Sonic #41. This issue marks the return of Geoffrey St. John since Sonic #31. St. John joins Princess Sally and Sonic into the Zone of Silence to save the king once and for all. On sale September 1996! Get it? Got it. Good!

And now on to— huh, you want more information on SonicQuest? Well, let's see... story by Mecha Madness writer Mike Gallagher, beautifully pencilled by Manny Galan with exceptional inks by Jay Oliveras! Also, covers by Spaz/Harvo and Heroic Age!

Sonic and Tails go at it alone against Robotnik's most terrifying weapon to date. A doomsday machine that could roboticize the entire planet with just the push of a button. Straight out of the video-game screens of Sonic 2, 3 and Sonic & Knuckles — the most requested weapon by you the fans... the Death Egg!

This is one Sonic series you wouldn't want to miss!

Freddley

P.S: Want to know what web-surfers think of Sonic and his buds? Well, now you can. Starting with this issue, Sonic-Grans will feature "Notes from the Net," showcasing a letter from the internet every other month. Cool!

Dear Sonic
and Freedom Fighters,

I like your comic books, your video games, and almost anything else about you. Would you tell Spaz that I think that the comic book covers that he does are cool? Also I have a ton of questions to ask you: 1) Will Uncle Chuck and Mustaki ever get turned back into Mobians? 2) Where is the planet Mobius? 3) Would you please put a map of Mobius in one of your comic books? 4) In the Tails' mini-series, can Tails really turn into Fox-Man, or is he just pretending that he can? 5) Will there ever be a Sonic the Hedgehog movie (or movies hopefully)? 6) Are you going to make reprints of the Sonic mini-series #1 & #2? 7) Why can I only find your comic books in two different stores?

Jon Rits (Age 11)
Westerville, OH

Hey Jon. These are the answers:
1) Only time will tell. 2) In space somewhere. 3) Well ok, maybe in a future issue... as long as you promise not to use it for evil means. 4) He's just pretending. 5) I'm crossing my fingers. 6) It's possible. 7) If you're having trouble finding your favorite Sonic comics, you can always subscribe to it and get it delivered to your house. How's that for service?

Dear Sonic,

I wrote a poem for you so here it is:

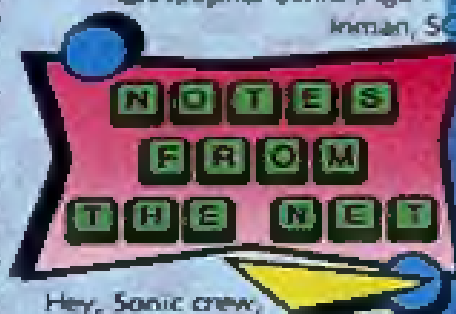

Sonic's my fave,
because he's so brave,
He'll never lose,
with those red shoes.
Though he may get sick,
fighting Dr. Robonik,
He never waits,

'cause he's got a pal named
Tails.

No one will exceed,
against Sonic's speed.

And he's the best,
because he shreds the rest.

Christopher Schile (Age 11)
Inman, SC

Hey, Sonic crew,

Fab job on what you've done with the Blue Blur lately! I've really enjoyed the last few issues, as well as what I've read in the new Knuckles mini-series. My favorite character is Sally (particularly the way Spaz draws her) and I'd like to see a second mini-series some time. In the meantime, the Knuckles storyline is shaping up to be a very good one. Sonic's friendly nemesis is quite an intriguing character, and I'm enjoying how he's having to finally learn to use his head instead of just his fists. One complaint tho' - Mike Gallagher should keep the puns down to every other page instead of every other panel.

If there are any other readers on the Net, I'd like to encourage you to check out my page, and also Bookshire's (<http://rat.org/bookshire/>). You can find Sonic stories on both... recommend Dan Crazen's. We'll wait until Knuckles gets a flat top. remain sincerely yours,

Thad "X" Boyd
(http://pages.prodigy.com/Thad_X_Boyd/)

Thanks for the praise. That "X" So that's it for this month. Sonic here, speeding off into the sunset. Later!
